

# A SIMPLE PRAYER FOR YOU TODAY

Lord, I thank You for my friend who is reading this today. I thank You for bringing her into my life. Father, please meet her in her need and bless her with Your presence. Give her Your wisdom and peace as she makes decisions today. Equip her with truth, fill her with hope, and surround her with Your love. Shine Your light into her life so she can reflect Your light in this world. Open her eyes to see You in all things today, to praise Your Holy Name.

In Jesus' name. Amen.
